ABOUT US

Nyembezi Logistics is a South African service provider of supply chain and transport logistics solutions with 34 ton tipper trucks transporting coal and chrome which enables our clients to have an option to make their request according to their products and needs. We focus on helping clients across a wide range of industries achieve more efficient and effective supply chains.

Backed by a highly skilled workforce, extensive infrastructure throughout Southern Africa, unrivalled logistics management expertise, we are able to create value-driven solutions customized to our clients' precise needs. The company was established in the beginning of 2022 with a strategic focus on Supply Chain Solutions division offering a cost-effective trading business, and the supply and deployment of best-in-class logistics on both a consulting and implementation basis.

Company Name: Nyembezi Logistics (Pty) Ltd

Registration No: 2022/322351/07

Vat Number: 4630303610

OUR VISION

RECOGNITION, SPECIALIZATION & EXCELLENCE

Our vision is to be recognized as the preferred partner in supply chain and transport logistics solutions, and rated as the leader in our selected specialized markets.

We envision earning recognition as the top choice in supply chain and transport logistics solutions, setting the benchmark for excellence in our carefully chosen specialized markets. Striving for unparalleled leadership, we aim to stand out as the go-to partner, delivering tailored solutions that cater to the unique demands of our clients. Our vision extends beyond mere acknowledgment; it encompasses being the unrivaled industry leader, celebrated for our commitment to innovation, reliability, and customer-centricity. With a relentless focus on excellence, we aspire to be the trusted name synonymous with superior supply chain and transport logistics services, shaping the future of our chosen markets.

OUR MISSION

DEIS

Our Mission (**DEIS**) is to **DELIGHT** customers with **EFFECTIVE** and **INNOVATIVE SUPPLY CHAIN** solutions that surpass expectations and redefine industry standards.

At the heart of our commitment is a dedication to excellence, where we strive to create seamless and efficient processes that not only meet but exceed the unique needs of our customers. We aim to foster enduring partnerships by consistently delivering exceptional value through cutting-edge technology, strategic thinking, and a relentless pursuit of improvement.

By placing customer satisfaction at the forefront, we aspire to be the catalyst for positive transformations within the supply chain landscape. Our mission is not merely to meet demands but to anticipate and exceed them, providing tailor-made solutions that empower our customers to thrive in an ever-evolving business environment. We believe in the power of collaboration, and our team is driven by a shared passion for driving success for our customers, promoting sustainability, and contributing to the overall growth of the industries we serve.

In pursuit of our mission, we are committed to staying at the forefront of technological advancements, embracing innovation, and maintaining the highest standards of integrity and transparency. We recognize that every customer is unique, and our mission is to listen, adapt, and evolve, ensuring that our supply chain solutions evolve alongside the dynamic needs of our diverse clientele.

OUR VALUES

OUR CLIENTS

We are committed to the changing needs of our clients and our business will evolve to ensure we continue to satisfy their requirements. We work with our clients in an open and collaborative way and have a desire to prove that we can provide the best services. We treat our clients' business as our own by providing value for money and obtaining the most competitive pricing. We are committed to providing the highest quality service to our clients and to add value to their investment. Our end-to-end engineering processes and systems provide the means by which we can deliver our service and commitments.

OUR TEAM

Over the years we have built a stable workforce with many employees being 'long term' employees. Loyalty and commitment are values we promote amongst all our employees, from trainees through to senior management.

OUR SOCIAL RESPONSIBILITIES

We are committed to building a sustainable future for our company and the staff we employ by continuing to work with and in our local community to achieve success in all we do. We support our local community by providing career opportunities for local people as our contribution to the community and our country.

OUR SERVICES

QUALITY

Frequency and focus are key to customer satisfaction. We allow client representatives or appointed engineers to assign their own operators for ongoing projects. The frequency of inspections is determined by the client prior to any such appointments.

On our part, we generate and issue monthly site reports to all parties involved to give maintenance and services of the machines.

SAFETY POLICY

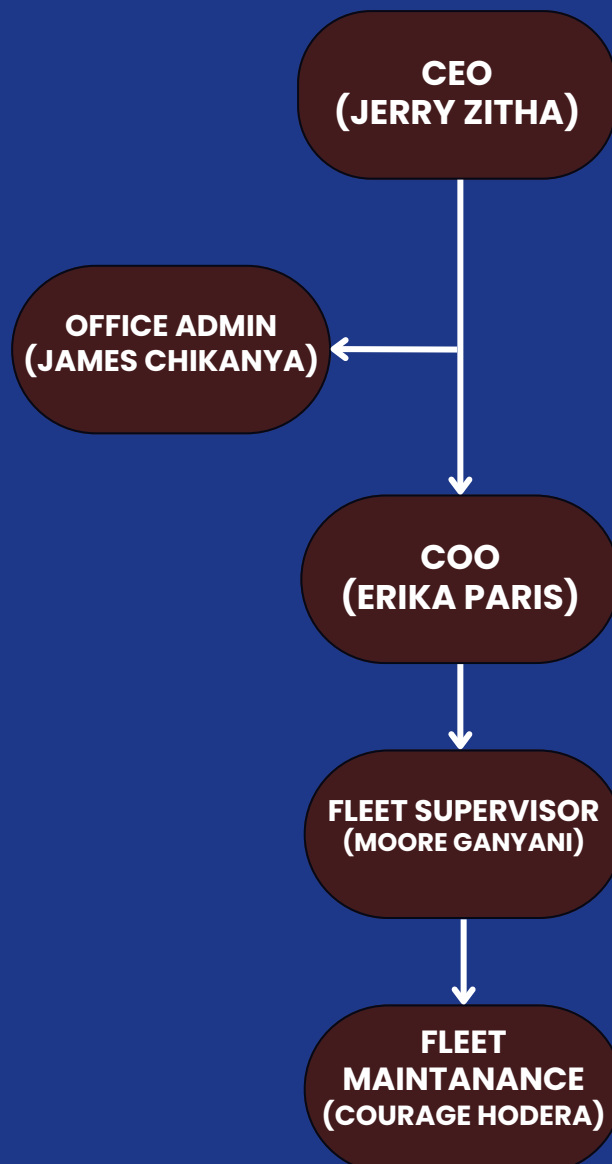

NYEMBEZI LOGISTICS (PTY) LTD is dedicated to achieving Zero Harm by implementing OHSAS 18001 compliant management systems. We commit to legal compliance, in-house standards, and preventing harm in all operations. The company outlines objectives, measures performance, and ensure continual improvement in occupational health and safety. The management holds accountability for realizing these policy statements and achieving ongoing enhancement in OH&S performance.

TRAINING POLICY

Nyembezi Logistics prioritizes a skilled workforce, fostering effective performance through continual training. Our strategy aligns individual needs with organizational goals, ensuring operational efficiency and a safe working environment for all employees.

ORGANIZATIONAL **STRUCTURE**

COMPANY RESOURCES

Our Workforce

Our logistics company thrives on the invaluable contributions of our workforce. From skilled drivers to logistics experts, their dedication forms the backbone of our success. We invest in their continuous development, fostering a collaborative and empowering environment. Their expertise, adaptability, and commitment distinguish us, making our team our ultimate competitive advantage.

Our Fleet

In our robust fleet, we proudly feature 5 cutting-edge 34-ton side tipper trucks and an additional 5 flat deck truck and trailers, each meticulously maintained to deliver optimal performance. Operating across the diverse landscapes of South Africa, our logistics network spans every province, ensuring comprehensive coverage and timely deliveries. Going beyond national boundaries, our reach extends into the neighboring countries of Mozambique and Swaziland.
